ISS UPDATE

S128E009993

ISS Websites

NASA Main ISS Web Site (click "MultiMedia", and look for the Explorer):

http://www.nasa.gov/mission_pages/station/multimedia/index.html They also have an interactive flight control room

ESA also has a dedicated Space Station Page:

<http://www.esa.int/esaHS/iss.html>

Discovery Channel also has an ISS Page:

<http://school.discoveryeducation.com/schooladventures/spacestation/>

Additional Resource:

http://www.shuttlepresskit.com/ISS_OVR/index.htm

YouTube has some videos made by astronauts that tour the space station:

<http://www.youtube.com/watch?v=JgBgmw-2U8c>

Finally, don't forget to find out when you can see the ISS fly overhead:
