Homeschool Day at PARI
Registration Form
Tuesday, November 21, 2008

The Pisgah Astronomical Research Institute is once again providing a unique educational opportunity to Homeschoolers to receive science instruction from its working astronomers and engineers at PARI.

Registration to Homeschool Day at PARI is limited to 100 students (25 per class). Registration is limited to first-come-first-serve.

This Homeschool Day is being designed for students in grade levels K - 12. Students will attend three 45 minute class sessions between 10:30 am - 2:15 pm. (See Schedule)

A pre-payment of \$10 per student for the registration fee is required in order to be registered. There is no charge for parents/chaperones.

Once your registration and payment have been received, your student's participation will be confirmed via email.

Complete the information on this form and mail it with a check, made to PARI, for \$10 per student to:
